

VELES LABORATORY

RECORDED MESSAGES 24/07

24 JULY 2020 / 6:02 PM – 6:30 PM

COMMUNICATORS

Vixen Ruiz, Maya Ray

MESSAGES

Vixen Ruiz / 6:02 PM

Hey Maya, you there?

Vixen Ruiz / 6:03 PM

Have you noticed how weird everybody is acting at Veles recently?

Maya Ray / 6:05 PM

Oh yeah. I noticed that. It's starting to creep me out ngl

Vixen Ruiz / 6:06 PM

I know right

Vixen Ruiz / 6:08 PM

First [REDACTED] almost gets me killed. Then they fired [REDACTED]?? Now everybody is acting strange

Maya Ray / 6:11 PM

Something about [REDACTED]? I know you were complaining about it previously

Vixen Ruiz / 6:14 PM

Can't blame me. There's something wrong with that '[REDACTED]'. I still don't know why they denied that one request to stop research on it

Maya Ray / 6:19 PM

Oh trust me I know. A bunch of the other security team is acting off. It's like they don't even care about their jobs anymore. [REDACTED]'s trying to find me another job at this point lol. He doesn't want my mum to get mad at him

Vixen Ruiz / 6:25 PM

Lol can you ask him to find me a new job as well

Maya Ray / 6:30 PM

Lmao I can try
