[REDACTED]

13th June 2020

Dear Robert Brown,

I apologise for taking a week off of work, due to falling ill. Thankfully, I'm feeling a lot better, and understand what I've got to do.

Sadly, I wish to inform you that [REDACTED] will not be able to. She has fallen ill, but we are unsure when she'll be able to return back to work. She is receiving medical care however.

Sincerely,

Noah Cameron
